atic dismantling and undermining of democratic institutions and the rule of law, its use of indiscriminate violence and repressive tactics against civilians, as well as its corruption leading to the destabilization of Nicaragua’s economy, constitutes an unusual and extraordinary threat to the national security and foreign policy of the United States”.

(2) Article 21.2 of the Dominican Republic-Central America-United States Free Trade Agreement approved by Congress under section 101(a)(1) of the Dominican Republic-Central America-United States Free Trade Agreement Implementation Act (19 U.S.C. 4011(a)(1)) states, “Nothing in this Agreement shall be construed . . . to preclude a Party from applying measures that it considers necessary for the fulfillment of its obligations with respect to the maintenance or restoration of international peace or security, or the protection of its own essential security interests.”.

(b) **SENSE OF CONGRESS.**—It is the sense of Congress that the President should review the continued participation of Nicaragua in the Dominican Republic-Central America-United States Free Trade Agreement if the Government of Nicaragua continues to tighten its authoritarian rule in an attempt to subvert democratic elections in November 2021 and undermine democracy and human rights in Nicaragua.
